### Medicinal Plants in Herbal Garden

#### Species Name

| Sr. No. | Name of the Plants | Botanical Names        |
|---------|--------------------|------------------------|
| 1       | Adraka             | Zinziger Officinalis   |
| 2       | Agasti             | Sesbania Grandiflora   |
| 3       | Agnimantha Bruhat  | Premna Mucronata       |
| 4       | Agnimantha Laghu   | Clerodendrum Phlomidis |
| 5       | Ajanvriksha        | Ehretia Laevis         |
| 6       | Akarkarabh         | Anacyclus Pyrethrum    |
| 7       | Amalaki            | Emblica Officinalis    |
| 8       | Amlika (Chincha)   | Tamarindus Indica      |
| 9       | Anjan              | Hardwickia Bivata      |
| 10      | Apamarga           | Achyranthus Aspera     |
| 11      | Aparajita          | Clitoria Ternatea      |
| 12      | Argvadha           | Cassia Fistula         |
| 13      | Arishtak           | Sapindus Trifoliatus   |
| 14      | Arjuna             | Terminalia Arjuna      |
| 15      | Arka               | Calotropis Procer      |
| 16      | Ashmantak          | Bauhinia Racemosa      |
| 17      | Ashoka             | Saraca Indica          |
| 18      | Ashwagandha        | Withania Somnifera     |
| 19      | Asthamavel         | Tilophora Asthamatica  |
| 20      | Asthishrunkhala    | Cissus Quadrangularis  |
| 21      | Atasi              | Linium Usitasium       |
| 22      | Atibala            | Abutilon Indicum       |
| 23      | Babbula            | Acasia Arabica         |
| 24      | Badam (Jangali)    | Terminalia Catappa     |
| 25      | Badar              | Zizipus Jujuba         |
| 26      | Bahubu             | Psidium Guajava        |
| 27      | Bakula             | Mimuspes Elengi        |
| 28      | Bala               | Sida Rhombifolia       |
| 29      | Bala               | Sida Species           |
| 30      | Bala Shwet         | Sida Species           |
| 31      | Bhallatak          | Semicarpus Anacardium  |
| 32      | Bharangi           | Clerodendron Serratum  |
| 33      | Bhringraj Peet     | Wedella Chinensis      |
| 34      | Bhrungraj          | Eclipta Alba           |

| Sr. No. | Name of the Plants     | Botanical Names           |
|---------|------------------------|---------------------------|
| 35      | Bhumyamalaki           | Phyllanthus Urinaria      |
| 36      | Bibhitak               | Terminalia Belerica       |
| 37      | Bilwa                  | Aegle Marmelos            |
| 38      | Bimbi                  | Coccinia Indica           |
| 39      | Bramhi                 | Bacopa Monnieri           |
| 40      | Brihati                | Solanum Indicum           |
| 41      | Bruhati Neel           | Solanum Torvum            |
| 42      | Chakramard             | Cassia Tora               |
| 43      | Chakramard             | Cassia Oppositifolia      |
| 44      | Chandan Shwet          | Santalum Album            |
| 45      | Changeri               | Oxalis Corniculata        |
| 46      | Chavika                | Piper Boihmeriifolium     |
| 47      | Chirbilwa              | Holoptelea Integrefolia   |
| 48      | Chitrak                | Plumbago Zeylanica        |
| 49      | Citronella             | Cymbopogon Nardus         |
| 50      | Dadima                 | Punica Grnatum            |
| 51      | Dagadipala             | Tirdax Procumbens         |
| 52      | Danti                  | Baliospermum Montamum     |
| 53      | Dhanyak                | Coriandrum Sativum        |
| 54      | Dhatura (Krishna)      | Dhatura Metal             |
| 55      | Dhava                  | Anoceisus Latifolia       |
| 56      | Dhayati                | Woodfordia Fruticosa      |
| 57      | Dughdhika (Brihat)     | Euphorbia Hirta           |
| 58      | Dughdhika (Laghu)      | Euphorbia Thymifolia      |
| 59      | Dukkarkand             | Discoria Alata            |
| 60      | Durva                  | Cynodon Dactylon          |
| 61      | Durva (Shwet)          | Cynodon Dactylon          |
| 62      | Ela                    | Eletaria Cardamomum       |
| 63      | Eranda Rakta           | Ricinus Communis Var. Red |
| 64      | Eranda Shweta          | Ricinus Communis          |
| 65      | Gambhari               | Gmelina Arborea           |
| 66      | Gandhatrina            | Cymbopogon Citratus       |
| 67      | Gokshur                | Tribulus Terrestris       |
| 68      | Goraksha Chinch        | Adansonia Digitata        |
| 69      | Guduchi                | Tinospora Cordifolia      |
| 70      | Guduchi (Padmaguduchi) | Tinospora Sinensis        |
| 71      | Guggul                 | Commiphora Mukul          |
| 72      | Gunja (Rakta)          | Abrus Preatorius          |
| 73      | Gunja (Shweta)         | Abrus Preatorius          |
| 74      | Haridra                | Curcuma Longa             |
| 75      | Haridra Amragandhi     | Curcuma Amada             |

| Sr. No. | Name of the Plants        | Botanical Names           |
|---------|---------------------------|---------------------------|
| 76      | Harit Manjiri             | Acalypha Lanceolata       |
| 77      | Haritaki                  | Terminalia Chebula        |
| 78      | Hinsra                    | Caparis Sepiaria          |
| 79      | Jalakumbhi                | Pistia Stratiotes         |
| 80      | Jambu                     | Eugenia Jambolana         |
| 81      | Jambu (Kshudra)           | Syzigiun Cummini          |
| 82      | Japa (Aarakta)            | Hibiscus Rosa Sinensis    |
| 83      | Japa (Peeta)              | Himscus Rosa Sinensis     |
| 84      | Japa (Peetabh Rakta)      | Hibiscus Rosa Sinensis    |
| 85      | Japa (Peetabh)            | Hibiscus Rosa Sinensis    |
| 86      | Japa (Pendulous Sleeping) | Malvaviscus Penduliflorus |
| 87      | Japa (Rakta)              | Hibiscus Rosa Sinensis    |
| 88      | Japa (Raktabh Reet)       | Hibiscus Rosa Sinensis    |
| 89      | Japa (Raktabh)            | Hibiscus Rosa Sinensis    |
| 90      | Japa(Shwet)               | Hibiscus Rosa Sinensis    |
| 91      | Japa (Shwetabh Peet)      | Hibiscus Rosa Sinensis    |
| 92      | Japa (Shwetabh Rakta)     | Hibiscus Rosa Sinensis    |
| 93      | Japa (Shwetabh)           | Hibiscus Rosa Sinensis    |
| 94      | Jati                      | Jasminum Grandiflorum     |
| 95      | Jayanti (Shevri)          | Sesbania Sesban           |
| 96      | Jui                       | Jasminum Auriculatum      |
| 97      | Jyotishmati               | Celestrus Panniculatus    |
| 98      | Kachora                   | Curcuma Zedoarea          |
| 99      | Kadamb                    | Anthocephalus Indicus     |
| 100     | Kadukanda                 | Discoria Wellich          |
| 101     | Kagda (Kunda)             | Jasminum Multiflorum      |
| 102     | Kaidarya                  | Murraya Koenigii          |
| 103     | Kakmachi                  | Solanum Nigrum            |
| 104     | Kakodumbur                | Fiucs Hispida             |
| 105     | Kalamb                    | Mytragyana Parviflora     |
| 106     | Kalmegha                  | Andrographis Panniculata  |
| 107     | Kampillaka                | Mallotus Philipinensis    |
| 108     | Kanchnar                  | Bauhinia Variagata        |
| 109     | Kantakari                 | Solanum Xanthocarpum      |
| 110     | Kapikachhu                | Mucuna Prurita            |
| 111     | Kapittha                  | Fironia Elephanta         |
| 112     | Karanja                   | Pongamia Pinnata          |
| 113     | Karpas                    | Gossipium Herbacium       |
| 114     | Karpur                    | Cinnamomum Camphora       |
| 115     | Karpurgandhi Tulsi        | Oscimum Tenuiflorum       |
| 116     | Karvir Peet               | Thevetia Nerifolia        |

| Sr. No. | Name of the Plants          | Botanical Names           |
|---------|-----------------------------|---------------------------|
| 117     | Karvir Rakta                | Nerium Indicum            |
| 118     | Karvir Shwet                | Nerium Oleander           |
| 119     | Karewellak                  | Mimordia Chiranta         |
| 120     | Kashthadaru                 | Polyalthea Longifoila     |
| 121     | Khadira                     | Acasia Catechu            |
| 122     | Kharjura                    | Phoenix Sylvestris        |
| 123     | Kokilaksha                  | Asteracanthus Longifolus  |
| 124     | Kosthakolinjan              | Alpinia Galanga           |
| 125     | Krishna Beej                | Ipomea Hederaceae         |
| 126     | Kulattha                    | Dollaichos Biflorus       |
| 127     | Kumari                      | Aloe Vera                 |
| 128     | Kumud Neel                  | Nymphaea Daubenyana       |
| 129     | Kumud Nilabh                | Nymphala 'Panama Pacific' |
| 130     | Kumud Raktaβη               | Nymphaea Sp.              |
| 131     | Kumud Shweet                | Nymphaea Pubescens        |
| 132     | Kuta Shalmali               | Arodendrum Anfractosum    |
| 133     | Kutaj                       | Hollerhena Antidysentrica |
| 134     | Lajjalu                     | Mimosa Pudica             |
| 135     | Langali                     | Gloriosa Superba          |
| 136     | Lanka                       | Capsicum Anam             |
| 137     | Lata Karanja                | Caesalpinia Crista        |
| 138     | Lodhra                      | Simplocus Racemosus       |
| 139     | Madanpal                    | Randia Spinosa            |
| 140     | Madyantika                  | Lawsonia Inermis          |
| 141     | Madhuka                     | Basia Latifolia           |
| 142     | Madhumalati-Rangoon Creeper | Combretum Indicum         |
| 143     | Mahanimba                   | Melia Azadirach           |
| 144     | Makushtha                   | Vigna Aconitifolia        |
| 145     | Mandukparni                 | Centella Asiatica         |
| 146     | Manjishtha                  | Rubia Cordifolia          |
| 147     | Maricha                     | Piper Nigram              |
| 148     | Masha                       | Phseolus Mungo            |
| 149     | Mashparni                   | Termanus Labialus         |
| 150     | Math (Rakta)                | Amaranthus Tricolor       |
| 151     | Math(Shwet)                 | Amaranthus Albus          |
| 152     | Matulunga                   | Citrus Medica             |
| 153     | Methika                     | Trigonella Foenum Graecum |
| 154     | Mishreya                    | Foeniculum Vulgare        |
| 155     | Mogle Erand                 | Jatropha Species          |
| 156     | Muchkunda                   | Pterocarpus Glabrescence  |
| 157     | Mudgaparni                  | Phaseolus Trilobus        |

| Sr. No. | Name of the Plants | Botanical Names          |
|---------|--------------------|--------------------------|
| 158     | Mushali            | Asparagus Adsensens      |
